

EXPORT QUESTIONNAIRE

Export Administration Regulations of the United States are complex and ever changing. In some cases a license is required for certain types of exports. Please answer the following questions to determine if an export license will be required for the item(s) you are purchasing. Thank you.

Please fax this completed form to Export Representative at 309-523-3912 OR email this completed form to cs@sandstromproducts.com.

These commodities, technology or software are exported from the United States in accordance with the Export Administration Regulations. Diversion contrary to U.S. law is prohibited.
